

Tenant Applicants must upload the following documents

1. Identity: You need to submit one (1) form of identity verification documentation listed below for each household member. If you are unable to submit one for each household member, that does not prevent you from receiving assistance, but it may delay processing time for your application. Note that expired IDs are acceptable.
2. Address/Residency: You need to submit one (1) form of documentation listed below in order to prove your address. Address documentation should be current, i.e. it should affirm that this is the address where you are currently living.
3. Income: You need to submit one (1) form of income documentation listed below for every household member who is 18 years or older and is receiving income. You may report current or 2020 annual income.
4. Monthly rent amount: You need to submit one (1) form of documentation listed below to verify your monthly rent. If available, a lease should be provided.
5. Utility arrears: If you are asking for help to pay utility arrears, you need to submit a copy of your gas and/or electric bill.
